

The Network @St Oswald's

'The Network' is aimed at those in their 20s-40s and meets throughout the year with a mixture of events. It is a group that aims to be accessible to everyone (you don't have to be a regular church goer), and we'd like to welcome anyone to come along even if you can only make one event a year!

This year 'The Network' will be putting on a range of evening social events and daytime family activities aimed at those with young families. We will also be hosting a series of discussion evenings which are open to everyone (regardless of age). The discussion evenings will be linked to the theme of the monthly Spotlight Service (although you don't need to have been at the service to join the discussion).
